Ignorance Exposed.

and Heathfulness Fully

le so-called "chemists" are ignorant or shonest.
Glucose has no digestive properties, his is a well-known fact, whereas Paspla is giving relief to thousands of dyspites, a truth attested by the unsolicited stimonials that pour in upon us. The essence of digestive ferments in Paskola minot be determined by chemical test to one has ever seen digestive ferments in pure form, and the only way to demind their presence is by observing effects which they produce upon food, his is a fact recognized by every authory, and will be found stated in Foster's hysiology and other standard works. Another thing which these ignorant and alous rivals have said about Paskola is at inasmuch as its backs is pre-digested arch, it is calculated to encourage disects.

tired, feeble stomach of the dyapeptic is too weak to do its duty. It needs a little help: this help Paskola gives, Its use is at once followed by a sense of well-being, strength, vigor, and courage. The appetite improves and the sufferer can eat with comfort where before distress followed every meal. Paskola corrects emaciation and the pale, thin sufferers rapidly gain in weight under its use. Consumptives will experience a thousand times more benefit from it than from the use of disagreeable, nauseating cod-liver oil. which often does more harm than good. Consumption need not prove fatalif we can arrest the lors of flesh, for its victims virtually die of starvation.

THE COURT-HOUSE ON FIRE.

Dig Scare, But Slight Damage-The Cow and Baby Cases.

historic old building situated on the corner of Twenty-second and Main streets, known as the Henrico county court-house, had a narrow escape from being consumed by flames early yes-

court-house, had a narrow escape from being consumed by flames early yesterday morning, and, as it was, was badiy damaged inside.

The fire was discovered by Mr. Peter Wells, the janitor of the building, about 7:50 o'clock, and an alarm turned in by him brought the department out promptly, and in a few moments the flames, which had been raging fercely within the building, were gotten under control, and flamily quenched.

Very little is known as to the origin of the fire, but the supposition is that it was caused by a defective flue from the furnace below the court-house. Immediately below the court is located the room used by the magistrates, and when first discovered the flames were eating their way through the floor of the court-room, from the celling of the magistrates apartment. They did not invade the sacred precincts occupied by the judge and the attorneys, but confined themselves to the outside of the railing, burning away a section of the floor.

The building was insured in the Sun Fire-insurance Company for \$3.000, through Messrs. George D. Pleasants & Son, and the damage, it is thought, will not exceed \$500. Carpenters were put a work on the building immediately after the fire was put out, a new flooring was laid, and the room was cleaned out. This is only temporary, however, and, after the fully repaired.

HAS A PENCHANT FOR COWS.

HAS A PENCHANT FOR COWS.

HAS A PENCHANT FOR COWS.

Mary Maertin, the white woman who was acquitted last Wednesday by the County Court on the charge of stealing a cow from Solomon Wilkinson, a colored lawyer, was again arrested Thursday night by Policenan Yarbrough on a warrant issued by Magistrate Tyler, charging her with the theft of a cow belonging to Mr. P. R. Carrington. She was lodged in the county Jall, and sent on to the grand Jury yesterday by 'Squire Tyler. She was granted bail in the sum of \$500, but, being mable to secure that sum, was committed to Jail.

It appears from the evidence that the woman is in the habit of buying stolen sows from small boys, and paying for them if or \$5.

Robert Cottrell was before Justice lowles on a charge of stealing corn from Kobert Taylor, and being also charged with resisting Constable Henly, who arrested him, he was sent to the grand lury on both charges.

MORE ABOUT THAT BABY.

MORE ABOUT THAT EABY.

The haby case, as it is now known in the county, is attracting considerable attention around the court-house, and every-body has some theory to advance as to why the infam was left at the house of Martha Manning. Constable Samuels, the cyclonic efficial, has an all-knowing air about him, and says, in reply to all interforgatories, that his mouth is sealed. As a matter of fact, the Constable does not know a thing about the case, and there is little probability of his learning much about it. The child was taken to the county almshouse yesterday morning, and county almshouse yesterday morning, and

residing on Q street beyond Thirty-first called on Superintendent Tiller and volunteered to adopt it, saying that she had clothes at home ready for it, if he would let her have it. Mr. Tiller had no authority to transfer the baby to her care, and so advised her. He visited the court-house in the afternoon for the purpose of obtaining such authority, but accompilshed nothing.

Some arrests will probably be made in the case within a very short time.

OTHER MATTERS.

Frank Berkeley, a colored man, was arrested on a warrant sworn out by his wife, charging him with having beaten her, and was balled by Justice Vincent for his appearance before him to-day.

Burglaries are becoming quite numerous in the county. The residence of Mr. J. Fountain Tyler, on the Broad-Street road, about seven miles from the city, was entered several times by thieves last month. Burglars effected an entrance several nights ago to the residence of Major A. R. Courtney, at Dumbarton, and other offences of a similar nature are being reported daily.

Rev. Mr. Beauchamp to Preach.

At Park-Place Methodist church the Rev. William B. Beauchamp will preach on Sunday morning and evening. The pastor, Dr. Young, who is absent from the city, and in attendance at conference now in session in Charlottesville, has been decidedly fortunate in securing the services of this eminent young minister. Mr. Beauchamp is a member of the Virginia conference, and at present stationed at Park-View Methodist Episcopal church, Portsmouth, Va. He is considered one of the ablest young ministers of the conference. Rev. Mr. Beauchamp to Preach.
